

North Carolina Emergency Management

NC Sound Approach

A Proposal under the National Disaster Resilience Competition

What is the NDRC?

National Disaster Resilience Competition (NDRC)

- Implemented by HUD through CDBG-DR program
- Rockefeller Foundation providing technical support
- Funding influenced by Hurricane Sandy

North Carolina Emergency Management

NDRC Overarching Goals

Fairly allocate Post-Sandy CDBG disaster recovery funds

Apply science-based and forward-looking risk analysis to address recovery, resilience, and revitalization needs

Leave a legacy of implementing thoughtful, innovative, resilience approaches to addressing future risks

North Carolina Emergency Management

NDRC Overarching Goals (cont.)

Provide resources to help communities plan and implement disaster recovery to make them more resilient to future disasters

Fully engage stakeholders

Leverage investments

North Carolina Emergency Management

NDRC Phase 1: Framing Unmet Recovery Needs

Evidence-driven

Effective, innovative, compliant
resilient recovery projects

Stakeholder identification, input, and
commitment

North Carolina Emergency Management

NDRC Phase 2: From Framing to Implementation

Selected Applicants from Phase 1
will move to Phase 2

Submit more detailed description of
project(s) and implementation
strategy

North Carolina Emergency Management

North Carolina's Proposal

NC Sound Approach

NC Sound Approach

- NCEM has been tasked by the Governor's Office to serve as the state lead for the NDRC
- After working with HUD, Rockefeller, and others, focusing on Unmet Recovery Needs from the April 2011 Tornados and Hurricane Irene. Proposal is titled "NC Sound Approach."
- Looking to address Unmet Recovery Needs with a forward-thinking resilient manner
- Only certain areas are potentially eligible per "Most Impacted and Distressed" HUD Criteria...

North Carolina Emergency Management

Current Strategy

- Consulting with local governments in impact area on Unmet Recovery Needs as well as state agencies
- Asking, “who or what has been left behind?”
- Framing four program areas for Phase I:
 - Resilient Housing
 - Resilient Infrastructure
 - Resilient Jobs
 - Resilient Environment

North Carolina Emergency Management

Next Steps

- Consultation and public comment ongoing
- Phase I proposal due in mid-March 2015
- If invited for Phase II, a more detailed, specific proposal is due in October 2015
