New NC Emergency Operations Center

■ AGENDA

1. General Information
2. Funding
3. Features
4. Photo Gallery
5. Questions

General Info

- New 236,234 SF JFHQ will relieve space shortfalls for NGNC, NCEM, NCDOT & NCSHP.
- Gross Area allocated for the new EOC is 42,760 SF. Old EOC was 24,323 SF.

General Info

- Space allocated for the new Situation Room is 3,275 SF. Old Situation Room was 1,869 SF.
- NCEM will have 50 personnel in the New EOC.
- NCEM will have 76 personnel in the Old Military Ctr.

General Info

- NC Turnpike Authority co-located w/NCDOT Statewide Transportation Operations Center.
- NCDOT Incident Management Assistance Patrol located in Old Military Center.

General Info

- NCDOT STOC will have 25 personnel.
- NCDOT STOC is 18,400 SF. Screen Room is roughly the size of a Basketball Court.

Funding

- Overall Cost was approximately \$53,000,000.
- NCEM received \$10.5M for Project:
 - \$8.5M in '06 State Appropriations
 - \$1M in DHS '09 EOC Grant
 - \$1M in DHS '10 EOC Grant

Funding

- NGNC received ARRA funding to begin construction of the new Joint Force Headquarters in 2009.
- Their Funding was added to NCEM and NCDOT Funding for the Total Project Design and Construction.

Funding

- Initially, Project Bid was well under budget.
- As Project progressed, Shared Change Orders (HVAC, Electrical, Life Safety) added significantly to Funding Required.

Funding

- DHS Grants allowed us to stay On Track with the Project & not Over-obligate.
- Federal Funding was used for IT Architecture Development, Audio-Visual and IT Systems.
